Elevator pitch
Craft-beer app
Tom Bouwmans & Simon van Someren

Pitch 1:
Preparation

1. The good parts
- Drinking socially
- Showing off your beer to your friend
- Finding the best and unique beers
- Locate local bars to go drink the beers you want
- Find more information about your favourite breweries and get and get an insight on their newest beers

2. The bad parts
- If you post a lot, you might look like an alcoholic
- No real age check

3.
- Drinking is illegal if underaged
- Encourage people to drink alcohol

Feedback
We do not have the time to implement all these features. Your inspiration already has all those features and we want to make more. Focus on a specific thing and make an app for that.
